

ROBIN® 300 Plasma Wash

Robe's plasma lightsource revolution continues with this latest addition to the generation of ROBIN® fixtures harnessing the power and sustainability of the LIFI ENT 31-02 plasma source.

The ROBIN® 300 Plasma Wash has a perfect colour rendering index of 94, a CCT of 5400 K and an amazing 10.000 hours average lamp life. The zoom is an impressive 10 - 35 degrees, and onboard effects include smooth, fast colour mixing, including CMY and CTO dichroic colour flag system, plus a colour wheel with 7 replaceable SLOT&LOCK trapezoid shaped dichroics and open position. It's robustly engineered to Robe's exacting standards, and applications will include tours, special events and fixed installations of all types.
