

Twelve-Pack Top Loader Case

LEDBeam 100™

This Twelve-Pack Top Loader Case provides full protection for twelve ROBIN 100 LEDBeam units. It was built to endure the rigors and demands of touring and rental markets. It features two big shelves for accessories and one special padded space for diffusion filters. The case is manufactured from high-quality, water repellent 9 mm thick plywood, and has a very durable construction with ball corners, strong metal handles and roller castors for easy pushing.
